

## CALL FOR ITS REPEAL

Board of Trade Opposed to the Sherman Law.

## FVORS MANUAL TRAINING

The Resolution Condemning the Sherman Law is Passed Without Any Real Dissent by Anybody.

At a meeting of the board of trade held one month ago a committee was appointed with instructions to draft a resolution asking the congressmen from Michigan to use their best efforts to have the Sherman silver law repealed. Last night the committee reported and the resolution was adopted with but one adverse vote.

Leo A. Caro and Eugene H. Long were elected members of the board.

A representative of THE HERALD called attention to its special trade edition on to appear and asked that the board prepare an article for the edition relative to the board and its work, and to purchase 1,000 copies of the paper. Referred to the printing committee.

The special committee appointed to draft resolutions on the death of George I. Quimby made a report, which was adopted.

E. E. Fisher called attention to the fact that the board of education had taken steps to establish manual training in the public schools.

## Mr. Fletcher's Resolution.

The legislative committee, by N. A. Fletcher, presented the following resolution on the repeal of the Sherman silver bill:

Resolved, That in the opinion of the board the act of congress called the Sherman silver law should be repealed as soon as possible, because under its operation great injury is being done to the commercial and financial interests of the whole country and because confidence cannot be restored while it is in force.

Under it the government is purchasing \$3,000,000 ounces of silver per year, for which it is issuing obligations payable in gold on demand, and these obligations are being used to withdraw gold from the treasury. In this way a great contraction of currency is being effected, but still greater harm has been done by the contraction of credit this law has produced. Large amounts of surplus capital have been withdrawn from the country because its owners found that the government would be unable to pay its obligations in gold, that the currency would be reduced to a silver basis and that our obligations abroad would be paid in a depreciated currency. We earnestly appeal to the government to take speedy steps to place the currency of the country on a sound basis.

The introduction of this resolution brought out a warm discussion. E. E. Fisher expressed some doubts as to the wisdom of repealing the Sherman law without providing against probable contingencies, reasoning largely to insure a better understanding of the question. Mr. Fletcher talked strongly for a single gold standard.

The first paragraph of the resolution calling for the repeal of the law, but leaving the reasons why it should be repealed was left out.

C. H. Leonard offered a resolution commending the board of education for starting the training school and urging the board to continue the good work. The resolution was adopted.

Mrs. Maxim's Art Exhibit.

Anybody that admires beautiful work in crayon or charcoal should visit the exhibit in Mrs. N. E. Maxim's studio. It is the work of Mrs. Maxim's pupils and is a credit to her and them. The class comprises architects, carvers, engravers and various art students of the city. Among those who work in the studio are Mrs. Dr. Stutley, Mrs. Dr. Appleton, Mrs. Will Sprout, Miss Coryell, Bert Barrows, August Strohmeier, Miss Laraway, Mamie Williams and George I. Craig and Mr. Bloom. The studies include figures, flowers and antique work. The drawings comprise nearly everything from the simplest forms of leaves to the Greek Slave and the Gladiator. Perhaps the carvers show the greatest degree of sincerity and earnestness in their sketches. The exhibit is not confined to crayon and charcoal work. There are some excellent things in oil and water colors. The work of the younger pupils, those from 13 to 17 years of age, is excellent, many of them showing ability far beyond their years. The exhibit will be open during the remainder of the week and Mrs. Maxim will be glad to have anybody call who is interested in art matters.

Arrested Four Disorderlies.

For several nights past a crowd of young men have assembled on the hill on West Bridge street and conducted themselves in a disgusting manner. Pedestrians have been insulted and women have been extremely embarrassed by their insulting remarks. Last evening Sergeant Webb met the crowd and ordered them to move on, but they refused and the officer arrested E. P. Ernst, George Dygart, F. M. Crawford and George Briggs on charges of disorderly and they were held at the station over night.

Kent Fair Meeting.

The Kent County Fair association met in the office of Secretary Cox yesterday and made some unimportant amendments to the by-laws. Suitable resolutions were passed concerning the death of John Porter. The board adjourned to meet at the fair grounds at 9 o'clock next Tuesday morning. Those present at yesterday's meeting were: President Aaron Clark, Vice President O. F. Conklin, Secretary James Cox, Treasurer W. H. Anderson, Directors H. G. Holt, L. A. Solomon and N. A. Fletcher.

KINDERGARTEN ANNUAL.

Reports Rendered and Officers Elected Yesterday Afternoon.

The Free Kindergarten Circle of the Kings' Daughters held its annual meeting yesterday afternoon at the residence of Mrs. J. C. Fitzgerald, No. 64 Washington street, with about thirty members of the circle present. The reports of the secretary and treasurer were cause for much satisfaction to the women who have worked so unselfishly for the interests and culture of little ones under their charge during the last year. The secretary's report showed an enrollment of 30 in the Ottawa street kindergarten with an average attendance of 50 for the year. The treasurer's report was also pleasing to the association as there is \$400 now in the treasury. It was decided to continue the school during the summer, and Miss Clara Smith has been engaged to conduct the school during the vacation absence of the director, Mrs. May Williams. The meeting closed in a pleasantly informal manner, the hostess serving delicious refreshments. The annual election resulted in choosing the following officers: President, Mrs. J. C. Fitzgerald; first vice president, Mrs. H. M. Joy; second vice president, Mrs. M. R. Bissell; secretary, Mrs. A. B. Mason; treasurer, Mrs. N. A. Earl.

DREADFUL PSORIASIS

Covering Entire Body with White Scales. Suffering Fearful. Cured by Cuticura.

My disease (psoriasis) first broke out on my left cheek, spreading across my nose, and almost covering my face. It ran into my eyes, and the physician was afraid I would lose my eyesight altogether. It spread all over my head, and my hair all fell out, until I was entirely bald-headed. It then broke out on my arms and shoulders, until my arms were just one mass. It covered my entire body, my face, head, and shoulders being the worst. The white scales fell constantly from my head, shoulders, and arms. I was in great agony. I heard of the Cuticura treatment, and after using two bottles CUTICURA RESOLVENT, I could see a change, and after I had taken four bottles, I was almost cured, and when I had used six bottles of CUTICURA RESOLVENT, one box of Cuticura, and one box of Cuticura Ointment, I was cured of the dreadful disease from which I had suffered for five years. I cannot express with a pen what I suffered before using the RESOLVENT. They saved my life, and I feel it my duty to recommend them. My hair is restored as good as ever, and so is my complexion.

Mrs. R. B. KELLER, Rockwell City, Iowa.
